**Meeting Minutes**  
**February 26, 2024**

The Streets and Sidewalks Committee met on February 26, 2024 at 6:30 pm in the Town Hall. In attendance were committee members Jody Donsbach, Rachel Smith and Rick Tolles. Also present were Mayor John Berry, Councilperson Lynn Sylvain, Peggy Seab, Bob Sticklely, Karen Kingston and Paula Gillespie.

The Committee discussed holding off on area 3 the next area of sidewalk replacement, until we know the cost of sidewalk replacement in downtown area after removing the trees. Administrator will contact concrete contractors to get these quotes. We will also get a quote on area 3, if it can be fit in our allotted cost for 2024. We are still deciding on the tree for replacement. Business Owner Karen Kingston asked who will be responsible to replace walks around trees. Once we have a contractor, we will know how much of the sidewalk will be disturbed during taking the trees out, as some roots of trees have heaved a lot of the sidewalk around the tree. Another Business Owner Paula Gillespie asked if concrete walk can be saved and reused, contractors will be asked.

The meeting was adjourned.

Respectfully Submitted,
