

Streets & Sidewalks Committee
Meeting Minutes
June 23, 2026

The Streets and Sidewalks committee met on June 23, 2026 at 6:00 pm in the Townhall. In attendance were committee members Sean Thiebaut, Rachel Smith, and Rick Tolles. Also, present was Louise Estep, Doug Grey and Interim Administrator Jeremy Weaver.

We met to discuss grant funding for streets with Dennis and Paulette from Kleinfelder. We received a lot of great information. Dennis to get back to committee with costs and when the street project possibly could be done. We noted to stay away from Applebutter Fest.

We discussed removable speedbumps for East 2nd Street and Bridge Street. This hopefully will slow down speeders. Interim Administrator to follow up with Archbold Administrator for feedback and costs. Interim Administrator to get information back to the committee.

The meeting was adjourned.

Respectfully Submitted,

Rick Tolles
